

COMMONWEALTH of VIRGINIA
Office of the Governor

Robert F. McDonnell
Governor

March 27, 2010

Dear Friends:

On behalf of the citizens of the Commonwealth of Virginia, I am pleased to welcome participants and special guests to Envision Your Success 2010, Fairfax County's 6th Annual Mega Job Fair and Business Expo.

This event will host over 3,000 job seekers, career changers and emerging entrepreneurs in a place where they can meet with hiring employers and economic service providers and learn about available resources - all in one day and under one roof. A few highlights of the Expo include a workshop with the U.S. Office of Personnel Management to teach participants about federal hiring and opportunities, workshops for unemployed and laid-off workers to learn about resources, and on-site interviews with hiring employers.

My administration is committed to creating new jobs and opportunities for all Virginians, and to moving forward to a quick economic recovery. Our strategies include supporting skills training, providing sensible incentives for employers who create jobs, increasing state procurement for small, women and minority owned businesses, and investing in higher education so that Virginians will continue to be competitive in the 21st century.

I would like to commend Fairfax County's Skill Source Centers and its strategic partners for planning and organizing this event. With government, corporate and nonprofit partners working together to coordinate and create opportunities; it is clear that economic recovery is well on its way in the region.

I hope that you will find this event very useful for what you are planning to do in your future career or business venture. Best wishes for a successful Expo.

Sincerely,
